PRE-KG TO CLASS XII

Nurturing Every Child. Inspiring Every Future.

A place to learn, belong, discover and grow.

Admissions for the academic year 2027–28

WELCOME

A warm welcome to Al-Azhar

Choosing a schoolisoneof themost important decisionsafamilymakes.Itisabout finding a place where children feel welcomed, encouraged and inspired to discover their potential.

Dear Parents and Guardians

At Al-Azhar Central School, Mala, we believe that every child deserves opportunities to learn with understanding, develop confidence, explore interests and grow with good values. We strive to create a supportive learning environment that encourages curiosity, responsibility, creativity and respect.

Our aim is to work in partnership with families and support each learner's academic progress and personal development. This prospectus introduces the school and provides a general guide to admissions for 2027–28.

Our promise to families

To encourage every learner with care, purposeful learning and opportunities to develop knowledge, character and confidence.

WHO WE ARE

Our vision, mission & values

Weseekto nurtureconfident,compassionateandcapablelearnerswhoareprepared to contribute positively to their communities and the wider world.

VISION	MISSION
To impart knowledge, morals, and sublime values to children, empowering them to transform this planet into a peaceful place to live and thus achieve success in this world and in the hereafter.	• To provide children with the best possible instruction in core subjects and languages, and to empower them to become winners. To bring out the best within them through curricular and co-curricular programs. To instill in them truthfulness, honesty, integrity, love and kindness to parents, respect for values, graciousness to humanity, philanthropy, universal goodwill, and communal harmony.

Our core values

- **Faith in God**
- **Self - discipline**
- **Punctuality**
- **Purity of body and mind**
- **Devotion to duty**
- **Scientific Temperament**
- **Sense of Humanism**

LEARNING JOURNEY

Learning at every stage

Our learning programme is intended to build strong foundations and help students progress with confidence from the early years through secondary classes.

FOUNDATION STAGE

A warm introduction to learning through play, stories, conversation, movement, creative activities and early language and number experiences.

PREPARATORY STAGE

Building foundational literacy and numeracy, communication, observation, curiosity, good learning habits and confidence in expressing ideas.

MIDDLE STAGE

Strengthening subject knowledge, reasoning, collaboration, independent learning, digital awareness and problem-solving.

SECONDARY STAGE

Developing deeper subject understanding, study skills, analytical thinking, responsible decision-making and preparation for board-level learning.

Teaching and learning approach

- Clear learning goals and age-appropriate activities.
- Opportunities to discuss, investigate, practise and apply concepts.
- Regular feedback and encouragement to ask questions.
- Learning from experience, reflection and mistakes.

A campus for growth

A welcoming campus provides space for learning,friendship, movement and discovery. Families are encouraged to visit the school and explore the learning environment.

Learning spaces and facilities

The school campus includes dedicated spaces for student activities and physical development. The photographs in this prospectus showcase the school building, common areas and outdoor play spaces.

- Classroom learning and interaction
- Spaces for play and physical activity
- Student movement and recreation
- Opportunities for creative expression
- A shared environment for school life
- Activities that encourage teamwork

Discovering talents & interests

A fulfilling school experience also includes creativity,communication,teamworkand opportunities to discover new interests.

MUSIC & PERFORMANCE

Music activities can nurture rhythm, listening, practice, confidence and creative expression.

ARTS & CRAFT

Hands-on creative activities encourage imagination, patience, fine-motor skills and the joy of making.

A home away from home

Forfamilies seeking residential schooling,the school website describes separate hostel facilities for boys and girls from Standard III onwards.

Care, routine & responsibility

A positive boarding experience supports students in developing cooperation, personal responsibility, respect for routines and consideration for others. The school describes its hostel environment as neat and secure, with food prepared under supervision for hygiene, taste and nutrition.

Before choosing boarding

- Confirm current hostel availability and class eligibility.
- Ask about daily routines, supervision and communication with parents.
- Confirm meal arrangements, medical support and visiting rules.
- Request the current hostel fee schedule and written boarding policies.
